*Hello, my name is Betsy and I'm the owner and operator of The Spa Located in Loxx by Justine. I have been in the Spa business for 15 years, as I used to own and operate Body Essentials Day Spa in Waltham. I decided to relocate because I live in Woburn and had a couple of beautiful children that need their mom. I also want to continue doing what I love and that is to take care of my clients. I have taken all that I have learned over the years and brought it to The Spa. I look forward to meeting new clients and will do my very best to make you look and feel your very best.*
